

PLAY IN A DAY

LET'S CREATE. LET'S PLAY. LET'S HAVE OUR SAY!

This Summer Solihull MBC is working with the Birmingham REP to bring you an exciting Play-In-A-Day Summer School experience! During the day you will play exciting theatre games, collaboratively tell stories, learn theatre techniques and participate and work together to create a brand new original play in a day!

The play in a day session will run 10am-3pm where you will work with a theatre professional for the Birmingham REP. At 2.30pm there will be a sharing for friends and family to see what you have created. Get involved now!

You'll be working alongside one of Birmingham REP's Theatre Directors creating your own short story. You'll think about all the things that make an exciting performance and making a story that's never been told before - because it will involve all your unique ideas!
