ACCOUNTS SCRUTINY REPORT

To the Committee of the Berkswell Society
For the year ended 31st December 2018

Introduction

I have been instructed by the Committee to review the financial information for the Berkswell Society for the year ended 31st December 2018 which comprises a summary of the Income and Expenditure for the year and a Summary of the Bank Accounts as at 31st December 2018.

Committee responsibilities

The Summary of the Income and Expenditure and the Summary of the Bank Accounts is the responsibility of, and have been approved by, the Committee. The Committee are responsible for maintaining books and records to support the preparation of the Summary of Income and Expenditure and the Summary of the Bank Accounts.

Review scrutiny performed

Closing balances on 31st December 2018 are confirmed as:

Cash Book	£ 1,754.48
Banleys Bank:	£ 1,467.01
Investment Account:	£ 8,514.12

I have conducted my review by making enquiries of the Committee and examining the financial information in the books and records (including bank statements) maintained by the Treasurer on behalf of the Committee. My review has been substantially less in scope than an audit performed in accordance with United Kingdom auditing standards and, therefore, provides a lower level of assurance than an audit. Accordingly I do not express an audit opinion on the financial information. Some recommendations for improvements have been shared with the Committee.

Review scrutiny conclusion

On the basis of my review I am not aware of any material modification that should be made to the financial information as presented for the year ended 31st December 2018.

We seek your approval for a Reserves Policy

Please approve this
New section

Principal Reserve

The Society's principal reserve comprises 7,300 General Accident Preference Shares being the residue of monies raised by the Berkswell Society Mine Opposition Group in 2011.

As agreed at the meeting of the Berkswell Society Committee held on 27 February 2019 (minute 4/2019 refers), this reserve will remain ring-fenced only to be used to finance opposition to any future perceived serious threat to the preservation of the Berkswell Parish.

The use of any monies from the Principal Reserve will require both a majority agreement by the Society's Committee and the majority agreement of Berkswell Parish members at a Special General Meeting.

Other Reserves

Reserves are also held in two accounts with Barclays Bank to facilitate ongoing income and expenditure required to ensure the smooth running of the Society. The accounts are maintained within a target range of no less than six months and no more than two years' normal expenditure.

The Barclays accounts are operated by the Society's Treasurer with any spend having the prior approval of either the Chairman or Secretary of the Committee.
